

go to get it lyrics

Stack up, pack up, trash up - let's get ready to go!
We want it looking good when we come back to school tomorrow!
Stack up, pack up, trash up - let's get ready to go!
Once everything is clean and no trash on the floor,
pack up your things and meet me by the door.

Take care of our classroom materials. Create a positive space.
Maybe books are on the ground. If you checked one out, put it back in place.
Respect one another and our material things.
The classroom will reflect us all so let's keep it clean, clean, clean!

Stack up, pack up, trash up - let's get ready to go!
We want it looking good when we come back to school tomorrow!
Stack up, pack up, trash up - let's get ready to go!
Once everything is clean and no trash on the floor,
pack up your things and meet me by the door.

Do we need the chairs up?
Are the pens and pencils put away?
Do you know what your homework is to be ready for the next class day?
Look around. Look side to side. What to do: can you help out a friend?
Help us all and lend a helping hand.
Now you're one step closer to the school day end.

Stack up, pack up, trash up - let's get ready to go!
We want it looking good when we come back to school tomorrow!
Stack up, pack up, trash up - let's get ready to go!
Once everything is clean and no trash on the floor,
pack up your things and meet me by the door.

Stack up, pack up, trash up - let's get ready to go!
We want it looking good when we come back to school tomorrow!
Stack up, pack up, trash up - let's get ready to go!
Once everything is clean and no trash on the floor,
pack up your things and meet me by the door!
